## Delivery Options

Course typically offered: Semester 1

| Component | Contact Hours |
| :--- | :---: |
| Online | 5 |
| Practical | 10 |
| Seminar | 5 |
| Workshop | 20 |

Grading Basis: 40 \%

## Assessment Details

| Category | Short <br> Description | Description | Weighting <br> (\%) | Exam <br> Duration |
| :--- | :--- | :--- | :---: | :---: |
| Practice | AS1 | Practice | 20 |  |
| Artefacts | AS2 | Artefacts (4,000 word <br> equivalent) | 80 |  |

## Aims

The aim of this module is for students to work in cross-subject groups to explore and create solutions to specific issues in Sport, PE and Nutrition. There will be a focus on practical knowledge and skills in relation to sport, PE and nutrition and this will be
translated into the assignment tasks.

## Learning Outcomes

After completing the module the student should be able to:
1 Explore and create solutions to specific issues in sport, PE and nutrition.
2 Illustrate knowledge of sport, physical education and nutrition through applied practice.

## Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

| Practice | 1 | 2 |
| :--- | :--- | :--- |
| Artefacts | 1 | 2 |

## Outline Syllabus

Practical activities related to sport, physical education and nutrition
Communicating ideas
Exploring ideas
Designing solutions
Delivery and practical implementation

## Learning Activities

Workshops
Practicals
Seminars
Online learning

## Notes

This module will support the transition into university and students will work across the subject groups of sport, physical education and nutrition to develop their knowledge, skills and understanding. There will be a specific focus on practical activities and solution-focused thinking.
