Outline Syllabus

The module is made up of four parts

1. *The students will be asked to explore their own individual qualities as an actor and work towards the development of the neutral – from which to build the techniques for transformation as an actor*
2. *The students will be introduced to Foundation level voice techniques for the actor*
3. *The students will be introduced to dramatic improvisation through which to encourage freedom, imagination, trust, creativity, teamwork and discipline*
4. *The student will be asked to explore, analyse and interrogate texts to explore the process of taking them from page to performance*

Learning Activities

The module will be delivered via

1. Staff led workshops and classes both in whole group and sub-group situations
2. Improvisation workshops
3. Scene studies in class leading to small performance sharings
4. Independent and guided research exercises and presentations

5.Video screenings and the watch of live performance
