Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	AS1	Coursework Project: final assessment across the three modules	25.0	
Exam	AS2	Module Examination: final module assessment	75.0	1.50

Aims

To introduce students to sociological theories, particularly in the area of deviance within society and show how these impact on the nature and development of a society. Students will also complete their research into a major sociological topic and write up their findings as a coursework Project.

Learning Outcomes

After completing the module the student should be able to:

- 1 Display an understanding of sociological concepts and a knowledge of sociological theory relevant to the topic, Deviance and Society.
- 2 Explain the impact of this topic on society, its nature and development.
- 3 Complete the research Project in written form, following academic conventions.
- 4 Deploy specialist terms and vocabulary associated with the study of Sociology.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

ESSAY	3	4	
EXAM	1	2	3

Outline Syllabus

1. *Deviance and Society, including non-sociological explanations, sociological interpretations, crime rate, gender, ethnicity and crime an the impact of deviant behaviour on society.*
2. *Final stages of the completion of the major piece of Sociology coursework.*

Learning Activities

Interactive lessons to small classes, regular formative homework assignments, independent self-study in researching and completing Project and terminal module examination.
