Aims

This is a 'shell' module for students who want to negotiate independent study.

Learning Outcomes

After completing the module the student should be able to:

- 1 Work independently under staff supervision

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Essay

1

Outline Syllabus

There is no prescriptive syllabus for this module. The initiative for the study should come from the student who will present a proposal to the module leader for approval. The organization of the module will be defined by a learning agreement which will identify the detailed learning outcomes together with appropriate methods of assessment.

Learning Activities

This module is designed to promote independent learning, as such the learning activities are prescribed via negotiation between student and tutor and are logged as part of a learning agreement.

References

Notes

The module offers students the opportunity to study a selected subject/topic under supervision from an appropriate member of staff . The learning outcomes, method of study and form of assessment are subject to negotiation and are stated in a learning agreement
