Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	Essay	To replace existing assessment strategy due to COVID 19	100	

Aims

To provide students with an ability to understand the importance of the UK economic environment in which firms and financial institutions operate. To enable students to consider the consequences of economic policy decisions on business.

Learning Outcomes

After completing the module the student should be able to:

- 1 Explain the macro-economy and the main objectives of macroeconomic policy.
- 2 Describe how markets work and the conditions that lead to market failure.
- 3 Recognise the importance of elasticity and explain how competition between firms impact business behaviour.
- 4 Identify the main drivers of globalisation for business organisations and how international institutions shape and regulate the economy.
- 5 Describe the key concepts and theories of international business in the context of real-life cases.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Essay	1	2	3	4	5
-------	---	---	---	---	---
