Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	AS1	1500 word essay.	100.0	

Aims

Explore constructions and representations of the criminal, crime and social control, as well as the role of the state and the media in shaping our understanding of crime and deviance.

Examine the impacts of social structures of age, class, race and gender on offending and victimisation.

Consider the contribution of criminological theory to our understanding of a range of contemporary crime issues.

Reflect upon the relative merits and weaknesses of the laws, policies and interventions enacted to address these contemporary crime issues.

Learning Outcomes

After completing the module the student should be able to:

- 1 Appreciate the varieties of criminal and other socially harmful activities.
- 2 Recognise the various concepts and theories used in criminology that seeks to explain these activities,
- 3 Appreciate that these activities generate responses at local, national and international levels within and beyond the state.
- 4 Recognise a variety of competing interpretations of crime and crime control.
- 5 Describe the various social divisions which structure definitions and effects of crime, harm and criminal justice.
- 6 Situate criminological knowledge in relation to a range of cognate disciplines.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

1500 word essay. 1 2 3 4 5 6

Outline Syllabus

Introduction: Crime and Social Life. Who are the criminals? Crime and the media. A range of Contemporary Issues of Crime and Crime Control.

Learning Activities

This module is taught on the basis of a 1-hour lecture and a 1-hour tutorial. The lecture will comprise 'traditional' lecturing and structured use of media and other resources. The seminars will involve small group discussions and structured activities.

Notes

Through a focus on contemporary crime issues, with which many students will have some familiarity through debates in the mass media, this course will provide students with a foundation for understanding the mult-disciplinary field of criminology.
