Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	Review	Journal review 2000 words	100	

Aims

This module will enable students to explore the issues of diversity, equality and respect in relation to individuals, families and communities.

Learning Outcomes

After completing the module the student should be able to:

- 1 Recognise how equality and diversity is relevant to diverse communities

2 Identify the impact of inequality on people from diverse communities.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Article Review 1 2

Outline Syllabus

Values

Norms

Social Divisions

Diversity

Anti-oppressive practice

Power and inequality

Empowerment

Learning Activities

Learning activities will adopt a broken lecture format that will include a combination of formal teaching, group discussion, small group work and workshop style activities.

Notes

The focus of this module is to introduce students to themes that relate to equality and diversity. Students will be encouraged to identify and recognise how these issues relate to health and social care.
