Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Portfolio	AS1	Portfolio (3000 words equivalent, including group presentation)	100	

Aims

To introduce the notion of inter and multi-disciplinary approaches by key professionals who work with children, in the context of the needs of specific groups of children.

Learning Outcomes

After completing the module the student should be able to:

- 1 Explain and describe the concepts and practice of inter and multi-disciplinary approaches to working with children.
- 2 Describe and analyse the impact of Government initiatives such as Every Child Matters.
- 3 Demonstrate an understanding of the issues faced by specific groups of children covered by policies such as Every Child Matters through a group presentation.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

3000 Word Portfolio	1	2	3
---------------------	---	---	---

Outline Syllabus

Reviewing current terminology, interagency, multi-disciplinary and joined-up working
An awareness of the historical context of multi-agency working
Every Child Matters
Social inclusion through interagency approaches
Conflicts and cultures in interagency working
Changing nature of multi-agency working
The complex needs of children
Looked-after children and practitioners
Analysis of statistical data & Early Childhood

Learning Activities
