Outline Syllabus

Referencing, Selecting Sources, Presentation skills, Essay writing and structure. A study of the court system of England and Wales.

Learning Activities

The module will utilise blended learning, which will combine e-learning with more traditional teaching strategies. In addition students will be encouraged to monitor their own learning on this module.

Workshops and online learning materials will be used to provide an overview of each topic.

The lectures will be delivered by the module team and on occasion, guest speakers from different relevant professional backgrounds, with particular expertise in aspects of the curriculum. Workshops will be used as a space for students to explore and discuss issues in small groups and for tutors to identify individual learning needs of students.

Notes

Students will develop their academic skills including referencing and writing. They will research the court system in England and Wales and develop team work in a shared research project.
