Aims and Outcomes

Aims	1. To survey the development and transformation of Europe from the 1790s to 1914. Demonstrate an understanding of key trends in political-social history (nationalism, internationalism, socialism, new-imperialism) ³ . To introduce students to the historiography of Europe's 'Long Nineteenth Century'
-------------	---

Learning Outcomes

After completing the module the student should be able to:

Code	Description
MLO1	Identify important political, cultural, and social aspects of Modern European history
MLO2	Comprehend historiographical viewpoints on Modern European history
MLO3	Demonstrate an ability to summarize and comprehend an aspect of Modern European history in written form

Module Content

Outline Syllabus
Introduction to the 'Long Nineteenth Century' concept The French Revolution The Congress of Vienna The origins of nationalism and the 1848 Revolutions The unifications of Germany and Italy New-Imperialism The origins of the First World War The origins of socialism The origins of the Russian Revolutions of 1905 and 1917

Module Overview
This module will provide you with an understanding of the of importance of the political, cultural, and social aspects of Modern European history. Throughout this module, you will engage in historical debate on a range of topics about myth, memory and identity in Modern European history, critically relating discussion to different national (or otherwise) contexts.

Additional Information

In this module students will explore these questions by examining Europe's 'Long Nineteenth Century', tracing the origins of nationalism, socialism and internationalism through to the culmination of these political trends in the outbreak of the First World War and the Russian Revolutions of 1917.
