## **Learning Activities**

Weekly reading to prepare for seminars and lectures

Collating and interpreting source material

Attending and engaging with weekly taught sessions

Workshops on exam technique

Preparing and submitting an essay on a key aspect of American History

## **Notes**

This module allows students to engage with a variety of means of understanding the American nation via its people, political processes and actions abroad. Through a range of case studies and contextual lectures and material students will be introduced to important moments in America's history. It will discuss times which challenged the nation's sense of identity, changed the way it engaged with the world and both unified and divided the people who live within its borders.
