Self Awareness Statement	AS1	Complete a World of Work Skills Bronze statement on Self Awareness and then reflect on your feedback using a standard template.	10	
Portfolio	AS2	2,800 words	70	
Report	AS3	800 words	20	

Aims

This module will take the form of a problem-based project undertaken in small groups. It is intended to develop the process of induction and to support students in identifying and gaining the skills and knowledge which will provide the basis for academic study.

Learning Outcomes

After completing the module the student should be able to:

1   Identify and reflect upon the following aspects of personal development: strengths and weaknesses, motivations and values, ability to work with others.
2   Undertake and complete a group project which introduces some key themes relating to the degree course content.
3   Demonstrate capacity for self-directed and independent learning.
4   Demonstrate skills required for learning within Higher Education

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Assignment 1   1

Assignment 2   2   3

Assignment 3   4

Outline Syllabus

Personal Development Planning
Problem solving
Academic reading and writing
Research and referencing skills
Group working skills, including planning and record-keeping

Learning Activities

Group work, lectures, seminars, Blackboard activities, reading, private study, research, group and project work, problem-solving

Notes

This module enables the learner to gain transferable skills including: the ability to construct and communicate oral and written arguments; to work effectively with others as part of a team; and to improve their own learning and performance, through the development of study and research skills, and a capacity to plan, manage, and reflect on their own learning.
