Display Name	Location	Start Month	Duration Number Duration Unit
SEP-CTY	CTY	September	12 Weeks

Aims and Outcomes

Aims	The module aims to develop students' knowledge and understanding of the nature and development of language and centrality of language in our every-day lives. It also aims to develop understanding of the social and educational context of communication, language and literacy development.
------	--

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Discuss and explore research and theories of language acquisition and communication
MLO2	2	Identify and understand linguistic diversity and key issues relating to the role of language in education
MLO3	3	Reflect upon the role of key social actors in supporting communication, language and literacy

Module Content

Outline Syllabus	Students will explore a range of topic content that will include, but not be limited to the following: Language Acquisition Second Language Learning and Multilingualism Linguistic Diversity Language, Curricula, Pedagogy and Andragogy Communication, Language and Literacy
Module Overview	This module aims to develop your knowledge and understanding of the nature and development of language in individual, social and cultural contexts. The module is designed to encourage you to think about the relationship between language, learning and human development with an emphasis on theories and understandings of how language is seen to be developed, expressed and mediated in light of individual, societal and broader cultural factors and influences.
Additional Information	The module is designed to provide students with opportunity to reflect on the relationship between language and education. It places core emphasis on understanding and developing children's and young people's communication, language and literacy.
