Future Focus e-learning task	AS2	Self Awareness Statement	10	

Aims

This module aims to give students an understanding of good practice in Sport Development.

The module will furthermore aim to engage students in their own professional development.

Learning Outcomes

After completing the module the student should be able to:

- 1 Identify legislative and professional practice issues in Sport Development
- 2 Discuss Sport Development practice in an organisational setting
- 3 Identify and reflect upon the following aspects of personal development and career planning: strengths and weaknesses, motivations and values, ability to work with others.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Report	1	2	3
Self Awareness Statement	3		

Outline Syllabus

Exploring the concept of Sport Development in the workplace

Professional Development in Sport Development

Work related learning placement within Sport Development Best practice in delivering Sport Development

Health and safety and safeguarding issues when working in Sport Development

Self assessment statement

Learning Activities

In this module students will undertake work related learning that exemplifies the theory delivered through lectures and seminars. This will enable the assessment to consider both the theoretical underpinning and the practice of the processes within Sport Development.

Notes

This module, through lectures, seminars and placements, will give students an understanding of good practice in Sport Development. It will also develop their knowledge of relevant legislation, such as health and safety.

As a first step towards professional development, students will complete the Self Awareness Statement.
