**Academic Level:** FHEQ4      **Credit Value:** 10      **Total Delivered Hours:** 35  
**Total Learning Hours:** 100      **Private Study:** 65

### Delivery Options

Course typically offered: Semester 2

Component	Contact Hours
Lecture	25
Online	10

**Grading Basis:** 40 %

### Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Future Focus e-learning task	AS1	Self Awareness	20	
Presentation	AS2	Scenario activities	80	

### Aims

*To engage in work related learning in an area of practice associated with health and social care.*

*To enable students to reflect on their abilities and learning needs in relation to employability.*

## Learning Outcomes

After completing the module the student should be able to:

- 1 explore roles and services within the health and social care sector
- 2 Identify and reflect upon personal development including strengths and weaknesses, motivations, values and the ability to work with others.

## Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Self Awareness	2	
Work related scenarios	1	2

## Outline Syllabus

*Work related learning*  
*Effective group work*  
*Effective group learning*  
*Career opportunities in Health and Social Care*  
*Skills for professional practice*

## Learning Activities

Scenario focussed group activities  
'Broken lectures' consisting of short, formal presentations by academic staff, complemented with group and individual in-class exercises  
Guided structured independent learning  
On-line learning e.g. through directed online tasks

## Notes

This module introduces students to work related scenarios. The marks for this assessment will be allocated on the basis of the assessed group activities relating to a number of scenarios used during the module.
