Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Exam	AS1		100	3

Aims

An introduction to the principles of health and safety and associated legislation and what this means in practical terms for working in a safe environment with children and young people.

Learning Outcomes

After completing the module the student should be able to:

- 1 Understand the relevant procedures for accurate risk assessment both in and away from a youth setting.
- 2 Describe best practice in health, safety and risk assessment in order to ensure children and young people are protected from harm.
- 3 Understand the parameters of staff competencies, level of ratio and level of supervision for youth activities.
- 4 Evaluate implications of health and safety in relation liability issues and professional responsibilities

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Assignment 1	1	2	3	4
--------------	---	---	---	---
