Aims and Outcomes

Aims	To examine the value and opportunities for multi-agency working in supporting children and their families, with reference to current social policy.
------	---

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Discuss the importance of working in partnership with families' children or young people.
MLO2	2	Examine the roles and responsibilities of a multi-agency approach in providing services to families, children or young people.
MLO3	3	Explore current social policies that support the child or the young person and family when additional need is identified.

Module Content

Outline Syllabus	Rights of the Child/Young Person, Parental rights and responsibility, Parental Styles and child rearing practices, Children's participation, Anti-discrimination, equal opportunities and challenging stereotypical attitudes and beliefs, Strategies for liaising with parents and carers, confidentiality, multi-agency working. Understanding relevant and current legislation.
Module Overview	
Additional Information	This module provides the student with the opportunity to examine the concepts of working in partnership with children, young people and families through exploring current social policy. Students will examine the role of the multi-agency team to support and improve outcomes for children, young people and families.
