

Liverpool John Moores University

Title: NURSING SCIENCE (PRACTICE) 2
Status: Definitive
Code: **4511BNCNUR** (107601)
Version Start Date: 01-08-2014

Owning School/Faculty: Nursing and Allied Health
Teaching School/Faculty: KPJ International College of Nursing and Health Sc

Team	Leader
Sean Mackay	

Academic Level: FHEQ4
Credit Value: 10.00
Total Delivered Hours: 100.00
Total Learning Hours: 100
Private Study: 0

Delivery Options

Course typically offered: Semester 2

Component	Contact Hours
Practical	100.000

Grading Basis: Pass/Not Pass

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Portfolio	AS1	Coursework: 100% A Portfolio of Evidence comprising: Learning Plans, the Assessment of Skills Document (Log Book), Practice Assessment Document, Written reflections on practice learning THIS IS A PASS/FAIL MODULE	100.0	

Aims

This module aims to enhance the students' ability to work within a multidisciplinary context, across a range of practice settings by extending their repertoire of skills.

Learning Outcomes

After completing the module the student should be able to:

- 1 Practice in accordance with the NBM Code of Professional Conduct
- 2 Contribute appropriately to the holistic care of patients / clients
- 3 Demonstrate a broad range of skills for practice (as detailed in the Log Book)
- 4 Use effective listening and responding skills when interacting with clients, users, significant others
- 5 Contribute to assessment, planning, implementation and evaluation processes within the context of multi-disciplinary practice
- 6 Identify personal development needs and engage in reflection on learning (in the context of the practice setting)

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

portfolio of evidence 1 2 3 4 5 6

Outline Syllabus

Application of theory to practice

Learning Activities

Work based practice learning

Notes

This is a work based learning module. This module is intended to enable the students to further develop and extend their range of essential nursing skills and work as an effective member of the multidisciplinary team. In this regard the module provides an opportunity for students to apply theory gained through the Essence of Care 2 module to practice within a variety of settings.

The module leader at JB campus is TAN SAW GEAK

This is a pass fail module
