### Aims

*The aim of this module is to equip students with knowledge, understanding and*

*practical skills needed to stage and evaluate a live event.*

## **Learning Outcomes**

After completing the module the student should be able to:

- 1 Demonstrate knowledge and understanding of concepts and approaches related to event staging and event evaluation
- 2 Apply concepts and approaches related to event staging and event evaluation to the context of a live event

## **Learning Outcomes of Assessments**

The assessment item list is assessed via the learning outcomes listed:

Group Live Event	1	2
Report	1	2

## **Outline Syllabus**

*Event experience design, eventscape, event staging and logistics, event quality, event closure, event monitoring, event evaluation.*

## **Learning Activities**

The formal staff/student contact comprises a series of sessions made up of lectures and small group activities. The sessions may include guest lectures by practitioners and event site visits.

## **Notes**

-AS1 (Group Live Event) is a group assessment therefore a group mark will be awarded.
