Analysis of groups currently excluded from mainstream schooling.
Inclusion: the Disability Stance. Inclusion: the 'socially excluded'.
Children with emotional and behavioural difficulties and the potential of interdisciplinary collaboration. Including children with additional educational needs.
Pupil referral services - opportunities for multidisciplinary intervention*

Learning Activities

Lectures, workshops, seminars, tutorials and access to Blackboard.

Notes

This module focuses on the inclusive institution within an inclusive society. It will encompass issues regarding equality of opportunity and disability awareness with regard to an inclusive society. It will consider those who are currently excluded and examine how institutions can be supported to become more inclusive. There will be opportunities to consider discrete issues related to phase or sector.
