

### Module Information

2022.01, Approved

#### Summary Information

Module Code	5003PRN
Formal Module Title	Health and illness across the lifespan
Owning School	Nursing and Allied Health
Career	Undergraduate
Credits	20
Academic level	FHEQ Level 5
Grading Schema	40

#### Teaching Responsibility

LJMU Schools involved in Delivery
Nursing and Allied Health

#### Learning Methods

Learning Method Type	Hours
Lecture	20
Online	5
Seminar	15

#### Module Offering(s)

Display Name	Location	Start Month	Duration Number Duration Unit
SEP-CTY	CTY	September	12 Weeks

#### Aims and Outcomes

Aims	To explore the biopsychosocial factors impacting upon acute and chronic conditions throughout the life span. To provide an enhanced knowledge of the pathophysiological basis of a range of acute and long term disorders.
------	--

**After completing the module the student should be able to:**

**Learning Outcomes**

Code	Number	Description
