Nick Medforth	Y

Academic Level: FHEQ5
Credit Value: 24
Total Delivered Hours: 60
Total Learning Hours: 240
Private Study: 180

Delivery Options

Course typically offered: Standard Year Long

Component	Contact Hours
Lecture	50
Tutorial	10

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Report	AS 1		70	
Presentation	AS 2		30	

Aims

The module will provide students with an in-depth knowledge of safeguarding interventions, policy, procedures and services

Learning Outcomes

After completing the module the student should be able to:

- 1 Critically explore factors relating to effective interagency working in safeguarding
- 2 Explore the concept of prevention and early intervention in safeguarding
- 3 Explore critically the importance of evidence based practice and application of theory
- 4 Critically examine abuse and neglect with respect to individuals, families and communities

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Analysis of Hypothetical Case presentation	1	3	4
	2	4	

Outline Syllabus

Interagency working (including the role of agencies, LSCB's, local authority, MARAC etc)

Motivating individuals to change behavior

Law, ethics, values and standards

Process – policy, protocols, guidance and procedures

Professional responsibility, judgments and conduct

Children and adults rights

Introduction to concept of risk

Process of change in the safeguarding arena

Learning Activities

Through a combination of lectures, small group discussions, seminars, this module will enable students gain an understanding of and insight into the application of safeguarding, including relevant legislation and rights. Lectures will have brief but focused inputs throughout to enable students gain knowledge and an understanding of the issues/factors involved in safeguarding. All lectures are interactive throughout, including one-to-one discussions, small group discussions, question and answer sessions, DVD and Powerpoint facilitated exploration sessions.

Notes

The focus of this module is to enable the students to apply their knowledge of safeguarding, including relevant policies and legislation, to any observations they may make in a work-based learning/practice situation.
