Coursework 1

Outline Syllabus

This module provides children's workforce professionals with an opportunity to complete a self directed and supported personal study based on their professional practice. Through individual tutorials students are supported in completing a Learning Agreement identifying professional needs. This is linked to a specific professional practice issue which is interrogated within the research and theoretical framework and within the student's institutional context

Learning Activities

To be individually negotiated and detailed within the student's Learning Agreement

Notes

This module is taken as part of a student's individually negotiated programme of study for the award of BA (Hons) Learning, Development and Support. The full details of this programme of study can be found in the student's Learning Agreement. It provides a framework for students wishing to investigate and reflect on an issue central to their professional role and professional practice. Students will be supported and equipped with the requisite knowledge and skills to complete an in depth analysis of the issue under study while linking this to their personal and professional needs
