

Liverpool John Moores University

Title: Out of hospital practice
Status: Definitive
Code: **5009PAPARA** (120146)
Version Start Date: 01-08-2014

Owning School/Faculty: Nursing and Allied Health
Teaching School/Faculty: Nursing and Allied Health

Team	Leader
Ian Fairclough	Y

Academic Level: FHEQ5
Credit Value: 30.00
Total Delivered Hours: 94.00
Total Learning Hours: 300
Private Study: 206

Delivery Options

Course typically offered: Standard Year Long

Component	Contact Hours
Lecture	20.000
Online	10.000
Practical	60.000
Tutorial	4.000

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Portfolio	Portfolio	Negotiated case analysis with supporting evidence equating to 4000 words	100.0	

Aims

To fully prepare the student to deliver effective care to service users in the out of hospital environment.

Learning Outcomes

After completing the module the student should be able to:

- LO1 Provide paramedic care commensurate with the professional legislative frameworks underpinning practice.
- LO2 Evaluate pre-hospital management of trauma and illness.
- LO3 Demonstrate knowledge and skill acquisition in the comprehensive clinical assessment and examination of a patients across the age ranges.
- LO4 Apply principles of effective assessment and care management to patients

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Negotiated portfolio	LO	LO	LO	LO
	1	2	3	4

Outline Syllabus

Infusion therapy methods

Advanced airway management

Advanced resuscitation protocols across all age ranges

Maternity

Recognition of the sick patient across all age ranges

ECG recognition

Models of assessment & triage tools relating to the major systems

Management of major and minor trauma

Learning Activities

Practical exercises

Working in practice under supervision

Lectures

On line exercises and lectures

Research techniques

Notes

This module prepares the student for registration. The content will allow the student to develop their assessment and management skills whilst simultaneously utilising the basic skill set of a paramedic.

The module relates to a Practice Achievement Record (PAD). This will be signed off on practice by the students mentor.
