Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	Ass 1		60	
Presentation	Ass 2		40	

Aims

To extend trainee's knowledge, skills and understanding in creative, aesthetic, activities which require performing at maximum levels and problem solving activities.

Learning Outcomes

After completing the module the student should be able to:

- 1 demonstrate the ability to perform and teach at a competent level in the activities
- 2 explore ways of effective participation in a safe manner
- 3 analyse and debate the rationale behind the inclusion of certain activities on the curriculum
- 4 understand and reflect upon the range of organization and management strategies that contribute to a positive learning environment

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Theory	3	4
Practical	1	2

Outline Syllabus

National Curriculum activities at KS3 which involve:

Actions, phrases and sequences of movement.

Expression of ideas, feelings concepts or emotions.

Involve faster, higher, longer and stronger movements or actions.

Problem solving challenges that are efficient and safe.

Personal and Social development.

Learning Activities

The course will delivered mainly through practical lectures with some opportunity to team teach peers. There will be a requirement to maintain a portfolio of learning material suitable for use on work-related learning placements.

Notes

This module aims to build personal competence and extend the Trainee's subject knowledge of teaching and learning in certain national curriculum activity areas at KS3.
