Aims

To provide students with an additional year of study at an approved overseas partner.

Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate the acquisition of programme-related learning having followed a one year approved course of study abroad.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Credit from Grade 1
Conversion

Outline Syllabus

The modules to be taken during the year abroad will be agreed in advance by the student, programme leader and overseas provider and approved by FQAEC.

Learning Activities

The nature of the learning activities will vary depending on the modules selected in advance by the student.

Notes

This is a year long period of full-time study at an approved higher education institution which will take place after successful completion of level 5. The modules to be studied must be agreed in advance, and must be of an appropriate level. Assuming successful completion of this year, mark-bearing credit will be awarded by the Faculty Recognition Group. The grade conversion scale to be used will be made available in advance of the year abroad.
