Exam	Exam	1 hour examination	25	1

Aims

According to the Department for Business Innovation and Skills, small to medium-sized enterprises account for 99.9% of all private sector businesses in the UK, employ over 15 million people and have a combined turnover of over £1,647 billion. It is crucial Business Management students can appreciate their importance to the economy, understand how to start-up and grow a business and the factors likely to influence their success or failure.

The aims of the module are to enable students to examine the concept of entrepreneurship and small business management; to enable them to understand the process of starting-up and managing a new business and to facilitate students understanding of the financial reporting statements, which assist in the process of assessing a small business' performance

Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate the importance of SMEs to the economy
- 2 Illustrate the process of starting-up a new business and critically evaluate the factors likely to impact its success or failure
- 3 Critically evaluate the approaches to and issues of managing a Small to Medium-Sized Enterprise
- 4 Interpret financial accounting statements in order to evaluate how a smaller business is performing
