Learning Activities

Practice - based activities on clinical placement supervised by a practice supervisor/assessor
Key note Lectures Skills simulation Workshops including role play and scenario based learning Interactive web based activities

Notes

The Academic Assessor will monitor that the student has completed 787.50 practice hours. This includes any practice placement learning and simulated practice learning, in accordance with the students programme plan. These hours are not included in the total module hours but are noted within the module proforma for university monitoring and progression purposes.

In addition to the contact hours above there are 320 private study hours.

198 hours are guided, this includes online and assessment preparation. Online hours are e-learning.

122 hours are independent study

Please note that workshop hours account for simulated theoretical learning, in accordance with NMC standard 3.4
