Learning Method Type	Hours
Lecture	36
Tutorial	1
Workshop	11

Module Offering(s)

Display Name	Location	Start Month	Duration Number Duration Unit
JAN-CTY	CTY	January	12 Weeks

Aims and Outcomes

Aims	To prepare the student to work with vulnerable women and families in complex circumstances.
------	---

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Discuss and reflect upon the impact of wider public health factors including social and health inequalities, on maternity services care provision.
MLO2	2	Articulate the use of midwifery skills and knowledge within the public health arena, to meet the wider complex needs of the vulnerable family.
MLO3	3	Critically evaluate the role of the midwife and multi-disciplinary team in the care of vulnerable women and their families with wider complex needs.
MLO4	4	Critically reflect on the impact of wider public health factors on maternal and neonatal outcomes.

Module Content

Outline Syllabus	Poverty, social deprivation, social and health inequalities, public health and maternity, safeguarding, mental health, perinatal mental health, equality culture and diversity, domestic abuse, female genital mutilation (FGM), migrants/asylum seekers/refugees, disability, learning needs, child sexual exploitation (CSE), human trafficking and modern slavery, forced marriage, maternal age, sex workers, housing issues & homelessness, sexual abuse, substance misuse, MBRRACE Reports, loss and bereavement, end of life care, caring for the carer, LGBT+, working with interdisciplinary and multiagency teams.
Module Overview	This module will prepare you to work with vulnerable women and families in complex circumstances.
Additional Information	The module will introduce and expose the students to the wider influences of public health on maternity care, provision and outcomes. The student will be encouraged and facilitated to reflect, challenge and evaluate the evidence base in relation to public health and the complexities of care for vulnerable women and families.
