Category	Short Description	Description	Weighting (%)	Exam Duration
Report	AS1	2,500 words	50	
Presentation	AS2	Poster presentation	50	

Aims

The module compares approaches to the purpose and practice of education across a range of European countries, at pre-school, school, and further and higher education levels.

Learning Outcomes

After completing the module the student should be able to:

- 1 Discuss, with examples, a range of approaches towards pre-school, school-age, and post-compulsory education across Europe.
- 2 Analyse the principles and practices underlying the delivery of education in one non-UK European country.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Assignment 1	1
Assignment 2	2

Outline Syllabus

Education as personal development
Education for the transmission of culture
Education as an economic instrument
Educating our masters
Education in 'old Europe'
Nordic educational approaches
Post-Communist education

Learning Activities

Lectures, seminars, group working, on-line tasks and support

Notes

This module examines international and intercultural dimensions of education and considers the values which underpin different systems of education.
