Placement	140
Tutorial	2

Module Offering(s)

Display Name	Location	Start Month	Duration Number Duration Unit
JAN-MTP	MTP	January	12 Weeks

Aims and Outcomes

Aims	Students will be provided with the opportunity to undertake a work placement in an international setting relevant to their future career choice. The module will build upon the student's PDP and provide opportunities for them to reflect upon their own development and future work related targets
------	--

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Evaluate how differing cultural norms can affect international working practices
MLO2	2	Identify and develop personal career and employability objectives
MLO3	3	Reflect and evaluate learning from the placement or project
MLO4	4	Work effectively as part of a team and as a member of the work force.

Module Content

Outline Syllabus	Working in an international setting Cultural awareness and sensitivity Recognising differing international practices Overcoming language barriers in the workplace Professional Development Portfolio - where are you now? (PDP) Writing an effective CV Setting personal goals From theory to practice in the workplace Safeguarding and safer working practice Professional conduct Roles and responsibilities Management and organisation within the placement or project Workshop skills/ teaching and learning
Module Overview	This international Work Related Learning (WRL) opportunity offers you the chance to experience different cultures and practices in relevant international settings. It facilitates current and future employment opportunities. You will be provided with the opportunity to undertake a work placement in an international setting relevant to your future career choice. The module will build upon your PDP and provide opportunities for you to reflect upon your own development and future work related targets.
Additional Information	This international Work Related Learning (WRL) opportunity offers students the chance to experience different cultures and practices in relevant international settings. It facilitates current and future employment opportunities. This module provides students with the opportunity to develop their organisational awareness and, for those who have previously completed the World of Work Bronze, to complete the World of Work Silver.
