Elizabeth Taylor	Y
Fran Tracy	

Academic Level: FHEQ5 **Credit Value:** 20 **Total Delivered Hours:** 150

Total Learning Hours: 200 **Private Study:** 50

Delivery Options

Course typically offered: Semester 2

Component	Contact Hours
Lecture	8
Placement	140
Tutorial	2

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Portfolio	AS1	Portfolio (4,500 Equivalent)	100	

Aims

Students will be provided with the opportunity to design, develop and implement a project or a set of project activities related to a real-world setting relevant to their future career choice. The module will build upon the student's PDP and provide opportunities for them to reflect upon their own development and future work related targets

Learning Outcomes

After completing the module the student should be able to:

- 1 Design project outcomes relevant to education and their own development needs
- 2 Apply the principles of project management to an area of interest'
- 3 Reflect and evaluate on learning from the project.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Portfolio	1	2	3
-----------	---	---	---

Outline Syllabus

Professional Development Portfolio - where are you now? (PDP)

Safeguarding and safer working practice

Setting personal / project goals

Professional conduct

Project related sessions

Roles and responsibilities

Management and organisation within the project

Project management tools

Learning Activities

This module is delivered through a series of workshops and peer learning group sessions in addition to an extended work related placement or project.

Notes

Working in a real-world setting is essential to give reality and relevance to studies. It facilitates current and future employment opportunities. This module provides students with the opportunity to develop their organisational awareness and, for those who have previously completed the World of Work Bronze, to complete the World of Work Silver. A significant part of the module will involve the delivery of a self-negotiated project which is relevant within the field of education.
