Placement	140
Tutorial	2

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Portfolio	AS1	Portfolio (4,500 Equivalent)	100	

Aims

Students will be provided with the opportunity to undertake a work placement in a specific setting relevant to their future career choice. The module will build upon the student's PDP and provide opportunities for them to reflect upon their own development and future work related targets

Learning Outcomes

After completing the module the student should be able to:

- 1 Identify and develop personal career and employability objectives.
- 2 Reflect and evaluate learning from the placement or project
- 3 Work effectively as part of a team and as a member of the work force

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Portfolio	1	2	3
-----------	---	---	---

Outline Syllabus

Professional Development Portfolio - where are you now? (PDP)

Writing an effective CV

Setting personal goals

From theory to practice in the workplace

Safeguarding and safer working practice

Professional conduct

Placement related sessions

Roles and responsibilities

Management and organisation within the placement or project

Workshop skills/ teaching and learning

Learning Activities

This module is delivered through a series of workshops and peer learning group sessions in addition to an extended work related placement or project.

Notes

Work Related Learning (WRL) is essential to give reality and relevance to studies. It facilitates current and future employment opportunities. It must be of practical value to the WRL agency.
