Aims and Outcomes

Aims	To provide a basis for basic elements of professional conduct and clinical legal education, and provide a basis for delivering the delivery of legal services with appropriate supervision and reflecting upon the experience.
-------------	--

Learning Outcomes

After completing the module the student should be able to:

Code	Description
MLO1	Demonstrate skills in client interviewing, advocacy, case and matter analysis, legal research, drafting.
MLO2	Conduct a client interview in a clinical setting with appropriate supervision.
MLO3	Critically reflect on legal services undertaken in the context of a university law clinic.

Module Content

Outline Syllabus
Interviewing Oral Communication Case and matter analysis Legal research Drafting Clinical legal education methodologies and processes Vulnerable clients Collaboration, teamwork and supervision Professional identity and legal ethics.

Module Overview

This module enables you to understand the basic elements of professional conduct and clinical legal education. You will demonstrate skills in client interviewing, advocacy, case and matter analysis, legal research, and drafting. You will conduct a client interview in a clinical setting (via our Legal Advice Centre) with appropriate supervision and develop the skills to critically reflect on legal services undertaken in the context of a university law clinic.

Additional Information

Module designed to provide practical legal knowledge.
