Module Overview	This module will enable you to consider and appreciate how physical education can provide a positive learning environment for the development of a wide range of skills and attributes. These include movement, sport specific, leadership, teamwork. The module will allow for critical reflection on how pedagogy can impact on the physical, affective, cognitive and social development of individuals.
Additional Information	This module will enable individuals to consider and appreciate how physical education can provide a positive learning environment for the development of a wide range of skills and attributes. These include movement, sport specific, leadership, teamwork. This module will allow for critical reflection on how pedagogy can impact on the physical, affective, cognitive, and social development of individuals. This module will primarily focus on traditional activities associated with physical education such as games, aesthetic activities and individual activities. Thus it extends knowledge from level 4 Applied Pedagogy 1.
