Aims and Outcomes

Aims	This module aims to develop a conceptual understanding of physical education and sport within society, by considering the influence of external partners and examining the current community and National strategies and initiatives that impact on the development of young people and analyse these from sociological perspectives.
------	---

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Apply sociological perspectives to demonstrate an understanding of contemporary issues in physical education.
MLO2	2	Reflect on and analyse the structures and influential partners that contribute to the development of opportunities for young people in physical education.
MLO3	3	Examine and evaluate current community and National strategies and initiatives and their impact upon young people in physical education.

Module Content

Outline Syllabus	Examine how political and social factors impact on young people in physical education, community and school sport. Consider the current initiatives in physical education, community and school sport. Consideration of influential partners in physical education and community sport (e.g. QCA, Positive Futures, IOC, YST, AfPE) and how they impact on widening and increasing participation for young people in physical education. Overview of current local and national initiatives in physical education. Consider a range of sociological perspectives to explore current issues in physical education.
Module Overview	This module aims to develop your conceptual understanding of physical education and sport within society by considering the influence of external partners and examining the current community and national strategies and initiatives that impact on the development of young people.
Additional Information	This module aims to develop a conceptual understanding of physical education and sport within society, by considering the influence of external partners and examining the current community and National strategies and initiatives that impact on the development of young people and analyse these from sociological perspectives. This module is a progression from the core level 4 module 4306SSLN Introduction to Contemporary Issues in Physical Education.
