Category	Short Description	Description	Weighting (%)	Exam Duration
Report	AS1	Paired Report 4500 words	100	

Aims

The aim of this module is to define and discern between different types of volunteers and volunteering, and support students to understand and construct appropriate management systems across a range of settings and events.

Learning Outcomes

After completing the module the student should be able to:

- 1 Recognise diversity in volunteering.
- 2 Apply volunteer management theories, processes and practices.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Paired Report	1	2
---------------	---	---

Outline Syllabus

History of and political relationship with volunteers

Defining who is a volunteer

Trends and Demographic characteristics in volunteering

Motivations in volunteering

Emotion and volunteering

Managing and developing volunteering

Types of volunteering

Volunteering and well-being

Learning Activities

Students will explore the role and development of volunteering in sport and physical activity, as well as volunteer management theory and practice, through a combination of lectures, seminars and workshops.

Notes

This module will enable individuals to identify, plan, justify and design a volunteer management and development system to support a sport- or physical activity-based club, programme or event.
