Aims and Outcomes

Aims	The aim of this module is to encourage students to understand the nature and important of employability and professional development in relation to Sport Coaching. The module will encourage students experience, observe and apply theoretical principles within a practical work based learning environment. Through undertaking an extended coaching placement you will be presented with a practical environment to align course theory with industry application, which will enable students to define their role as a coach and developing skills in an appropriate environment.
------	---

After completing the module the student should be able to:
