Workshop	52

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Presentation	Pres.	Group presentation	30	
Report	Report	Report C. 1500 words	70	

Aims

To introduce students to both conceptual and practical issues of e-commerce – focusing upon the dynamic business environment, the marketing and economics of business to business (B2B) and business to consumer (B2C) trade, virtual organisations and associated management issues.

Learning Outcomes

After completing the module the student should be able to:

- 1 Assess the impact of electronic commerce on business;
- 2 Analyze markets and business environments to identify relevant e-commerce activities;
- 3 Identify e-commerce opportunities in business scenarios;
- 4 Determine appropriate e-commerce adoption strategies.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Group presentation	1	2
Report C. 1500 words	3	4
