Aims and Outcomes

Aims	This module is designed to provide the student with enhanced keyboard skills for contemporary and commercial music. Building on from the students studies in level 4 the module will develop enhanced technical and musical skills with further exploration of more complex music and enhanced understanding of opportunities afforded by digital technology
------	--

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Demonstrate refined physical and technical skills required for keyboard playing
MLO2	2	Demonstrate the ability to perform keyboard based music from a range of styles (classical, commercial and world etc) which exhibit enhanced technical skills and musicality
MLO3	3	Describe and demonstrate a developed and refined understanding of music theory and musicality through performance using the keyboard

Module Content

Outline Syllabus	The module will be based around four key themes in keyboard performance• Repertoire: Students will explore keyboard music performance from a range of styles and genres including classical, commercial and world music• Performance: Students will explore the specific performance skills and attributes required of diverse styles and genres• Techniques: students will be asked to explore and develop advanced technical skills required of diverse and more complex compositions• Improvisation: Students will be supported in the development of the refined keyboard improvisation skills required for must performance and composition
Module Overview	
Additional Information	The module builds on keyboard skills acquired at level 04 enabling further exploration of more complex music. Assessment is via two chamber keyboard performances.
