### **Module Content**

| Outline Syllabus       | This module is delivered through the application of formal input from a series of lectures in a practical work environment. Visiting guest speakers from industry, existing food and beverage managers and executive chefs, will enhance the learning experience, adding currency and vocational relevance and encouraging creativity and innovation especially in the area of product development and their promotion. Practical skills development include; plan/organise/evaluate a Food and Beverage Event. Design/produce F & B literature. Management of the F & B event also includes staffing and promotion, service and making practical decisions. |
|------------------------|--|
| Module Overview        |  |
