Course typically offered: Standard Year Long

Component	Contact Hours
Lecture	48.000

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	Case Study	3,000 words	100.0	

Aims

To enable students to apply the ethics and value base of anti-oppressive practice in social work

Learning Outcomes

After completing the module the student should be able to:

LO 1 Reflect on personal and professional values in relation to relevant social work

values and ethical concepts.

LO 2 Apply relevant ethical theory to the practice of social work

LO 3 Implement ethical decision-making in the context of statutory and regulatory frameworks.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Case Study	LO	LO	LO
	1	2	3

Outline Syllabus

- *Values, ethics and ethical practice – practice dilemmas*
- *Ethics and practice standards*
- *Ethical decision making frameworks*
- *Kantian ethics*
- *Utilitarianism*
- *Virtue Ethics*
- *Feminist relational ethics*
- *Religious ethics*

Learning Activities

Each teaching and learning session will include a short introductory lecture supported by relevant teaching materials which introduces information to stimulate the 'moral imagination' of students as well as alert them to the ethical dimensions of social work theory and practice. Task based exercises will follow the introductory lecture. These tasks can be completed individually, in pairs or in groups. Students will be expected to verbally present material to their colleagues during feedback on tasks.

Notes

Social workers have an obligation to conduct themselves ethically and to engage in ethical decision-making, including through partnership with people who use their services (PCF 2). This module will enable students to develop their knowledge of a range of ethical theories and anti-oppressive social work values. They will have the opportunity to develop their skills in relation to ethical decision making and reflect on their own values and how these impact upon social work intervention and decision making.

Domain 2 of the Professional Capabilities Framework (TCSW 2012) and the following Standards of Proficiency HCPC 2012) 2 , 3.1, 3.4, 4.3, 5.3, 6, 7, 13 will be met in this module.

This module is part of the learning that will enable students meet the 'End of Last Placement/completion of qualifying programmes' level descriptor in the relevant domains outlined by the College of Social Work's Professional Capabilities Framework – Levels for Student Social Workers.
