Essay	AS1	5,000 words	100	

Aims

To enable students to understand underlying principles and key theories behind violent extremist ideologies. Evidence based practice will be used to provide practitioners with the knowledge, strategies and skills to prevent vulnerability to violent extremism amongst young people.

Learning Outcomes

After completing the module the student should be able to:

- 1 Recognise the early signs of young people engaging with violent extremists ideas and hate incidents or crimes and be able employ preventative strategies.
- 2 Analyse and provide counter arguments to hate crime and extremist ideas when working with young people.
- 3 Develop and analyse methods of promoting community resilience to counter violent extremism and hate crime.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Assignment 1	1	2	3
--------------	---	---	---

Outline Syllabus
