Aims

This module aims to develop a high-level of technical application and artistic interpretation, demonstrating stylistic versatility in a variety of dance genres.

Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate high level skills for a variety of commercial dance styles

- 2 Explore blended styles to enhance strength and individual performance
- 3 Develop a high level of versatility through performance

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Practical class assessment	1	2	3
----------------------------	---	---	---

Outline Syllabus

The versatile performer is building upon the stylistic principles covered at level 4. At this level students should be prepared to transfer the fundamental technical skills and stylistic interpretation into becoming more versatile. New genres and styles will continue to be introduced, including varied Aerial skills. The assessment process will reflect this through demonstration of contrasting styles through choreographed and unseen material.
