Category	Short Description	Description	Weighting (%)	Exam Duration
Essay	AS1	Essay = Case Study of 5,000 words	100	

Aims

To introduce students to the issues of sexual and domestic violence and honour based violence and prepare the student to effectively deal with these issues and their consequences in a youth setting.

Learning Outcomes

After completing the module the student should be able to:

- 1 Understand and analyse the forms, causes and extent of Sexual and Domestic and HBV.
- 2 Identify preventative strategies and analyse their effectiveness.
- 3 Demonstrate understanding and analyse the consequences of sexual/domestic abuse and HBV.
- 4 Reflect upon appropriate strategies to work effectively with partner agencies in the prevention and identification of sexual and domestic abuse and HBV.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Assignment 1	1	2	3	4
--------------	---	---	---	---

Outline Syllabus

Forms of violence including partner violence and violence within the home, sexual exploitation, harmful traditional practices and sexual abuse of children.
Causes and extent of the issues around sexual and domestic violence.
Identifying early warning signs
Preventative strategies and effective interventions
Dangers and consequences of sexual and domestic violence.
Work of campaign and victim support groups

Learning Activities

The session will comprise of lectures, Group work and discussions, E-learning and work based learning and practices.

Notes

This Level 5 twenty four-credit module aims to allow students to develop their knowledge and confidence in identifying and dealing effectively with children and young people who are witness to or victims of Domestic & Sexual violence and or honour based violence (HBV). The module will consider socio-economic and cultural factors that may contribute to children being at risk from such practices. It will also consider legislation and guidance that promotes effective partnership working.
