Aims and Outcomes

Aims	To explore how the different psychology models approach the management of the individual. To apply how social psychology, cognitive psychology, behavioural psychology and individual differences like personality, affect the management of service users and staff. To then apply these approaches to work related issues.
------	--

After completing the module the student should be able to:

Learning Outcomes

Code	Number	Description
MLO1	1	Summarise the approaches of psychology and how they affect the behaviour of individuals in your chosen case study
