### Delivery Options

Course typically offered: Semester 2

Component	Contact Hours
Lecture	11
Workshop	33

**Grading Basis:** 40 %

### Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Exam	Exam	2 HR Exam	100	2

### Aims

*This module aims to introduce students to current project management methodologies. Students will develop a solid understanding of project processes, procedures and essential skills and knowledge needed to apply a structured project management methodology to the management of organisational projects.*

### Learning Outcomes

After completing the module the student should be able to:

- 1 Demonstrate recognised competencies in an established project management methodology.
- 2 Analyse the appropriateness of a structured approach to project management within organisations
- 3 Construct project memoranda demonstrating knowledge and application of the concepts and practice project management.

### **Learning Outcomes of Assessments**

The assessment item list is assessed via the learning outcomes listed:

2 HR Exam	1	2	3
-----------	---	---	---
