Title: Consolidating Adult Nursing Practice (1)  
Status: Definitive  
Code: **6001APRNAD** (123827)  
Version Start Date: 01-08-2021

Owning School/Faculty: Nursing and Allied Health  
Teaching School/Faculty: Health

Team	Leader
Ian Pierce-Hayes	Y

**Academic Level:** FHEQ6  
**Credit Value:** 20  
**Total Delivered Hours:** 41  
**Total Learning Hours:** 200  
**Private Study:** 159

### Delivery Options

Course typically offered: Runs Twice - S1 & S2

Component	Contact Hours
Lecture	20
Practical	10
Seminar	10

**Grading Basis:** Pass/Not Pass

### Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Practice	PAR	Pass Domain 1 in Practice Assessment Record	99	
Exam	Numeracy	100% Pass required. MCQ and short answer paper.	1	1

Competency	Practice
------------	----------

### Aims

*The aim of this module is to develop, support and prepare nursing students be able to work safely and competently whilst undertaking more complex practice learning opportunities.*

## Learning Outcomes

After completing the module the student should be able to:

- 1 Effectively and safely achieve all practice based learning competencies required by point of registration
- 2 Develop and extend clinical knowledge via more complex practice learning opportunities.

## Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Practice Achievement Record	1	
Numeracy exam	2	
Practice	1	2

## Outline Syllabus

*Manual handling, CPR, central lines/PICC line management, Advanced COPD and spirometry, sepsis, blood gases, Oxygen saturations IV devices, assessment of deteriorating patient, ABCDE assessment reviewed, DKA and HONK, advanced respiratory assessment. 3 lead ECG's, cardiac A/P revisited. Tracheostomy care. Psychological care of the acutely unwell patient. Care of the dying patient.*

## Learning Activities

A range of learning activities will be used for module delivery complementing practice experience, including lectures, simulation and workshops, online learning, reflective practice, guided reading and independent study.

## Notes

This module will develop and enhance clinical competencies, building on previous practice modules and practice experience. Students will be encouraged to extend their knowledge on more complex clinical practice whilst becoming more autonomous and addressing areas for further development in preparation for final 6months.

Both the Practice assessment Record (Pass/fail only) and the maths exam ( pass /fail only) must both be passed to pass this module.
