Outline Syllabus

There is no set syllabus for this module – activity will vary according to student preference and WBL opportunity. The learning outcomes for the module will be achieved through a WBL agreement. Each student will devise their own placement activity that is supportive of their chosen pathway. Students may be expected to work both independently and in teams and demonstrate an ability to use available resources effectively.

Learning Activities

The documentation of coursework should provide evidence that students have:

- 1 achieved each of the Learning Outcomes of the module and attended sessions
- 2 planned and organised their work effectively, kept to schedules and met deadlines.
3. submitted the required documentary evidence for assessment consisting of:-
 - a) work placement report
 - b) work placement sketchbook/diary
 - c) work placement evaluation.
