Ron Harris	
David Preston	
Kay Hughes	

Academic Level: FHEQ6 **Credit Value:** 40 **Total Delivered Hours:** 33

Total Learning Hours: 400 **Private Study:** 367

Delivery Options

Course typically offered: Standard Year Long

Component	Contact Hours
Lecture	10
Seminar	20
Tutorial	3

Grading Basis: 40 %

Assessment Details

Category	Short Description	Description	Weighting (%)	Exam Duration
Dissertation	AS1	8000 word literature review.	100	

Aims

To direct the student to undertake a structured literature review in an area related to paramedic practice.

Learning Outcomes

After completing the module the student should be able to:

- 1 Manage a strategy for searching appropriate research literature in relation to the out of hospital environment.
- 2 Critically analyse the evidence base of research literature relating to paramedicine.
- 3 Formalise the evidence within a cohesive literature review.

Learning Outcomes of Assessments

The assessment item list is assessed via the learning outcomes listed:

Literature review	1	2	3
-------------------	---	---	---

Outline Syllabus

Dissertation direction
Out of Hospital Care
Literature review design
Techniques in searching literature
Critical reviewing literature
Writing up your findings
Data interpretation
Tutorial

Learning Activities

Lecture
Supervision

Notes

Students will produce an extended literature review informed by a research proposal.
